Dr. Stéphane Martinot, Director General
VetAgro Sup
Campus Vétérinaire de Lyon
1 avenue Bourgelat
F-69280 March l'Etoile
France

Dear Dr. Martinot:

Enclosed please find the final report of evaluation and statement of accreditation for VetAgro Sup Campus Vétérinaire de Lyon. Congratulations on receiving accreditation for a period of up to seven years.

The Council strongly encourages the School to extend faculty member involvement in the admissions process for the Competition A pathway to admission. The School should continue to update the Council on changes in the admission progress in future interim reports.

In addition, on pages 75-76 of the report the Council has made several comments for improvement of the quality of the program. The Council will rely on future interim reports to track the School's progress in addressing these comments.

If you have any questions regarding this action of the Council, please contact Dr. Karen Martens Brandt, Director of the AVMA Education and Research division at 1-800-248-2862, ext. 6609 or e-mail kbrandt@avma.org.

Sincerely,
